

### Process and Checklist for Admissions to BACS

Bryn Athyn Church School operates with the conviction that parents and teachers have a profound impact on the mental and spiritual development of young minds. It is important for a child's spiritual development that there is harmony of religious faith and practice between home and school. In order to support understanding and harmony for the child **we ask that parents attend a few New Church Sunday services**. Visit this website for a list of the Sunday services:
