## SUMMER CAMP 2014

Boys and Girls ages 4 (by June 1, 2014) to 6 years old

Summer is a time for outdoor fun and games! A time for playing with friends, learning new skills, getting wet, and relaxing. Our summer camp will give your child all those things and more! Baking, sewing, arts and crafts are just a sampling of the fun. Sometimes we make our snacks. Some days we will go to the pool. We will always get out in the fresh air and explore the world. We will also slow down, look up at the trees and watch the clouds go by. Camp is a wonderful opportunity to be outside and drink in the sunshine and fresh air, as well as learn some new skills and activities. In the event of rain, we also have access to the indoor gym and other play areas.

Miss Brooke and Miss Beth are your child's teachers!
