

Math Homework Video Tutor

Need some help with math homework?

First log into the following website: PHSchool.com

Each math lesson has a video tutor code:

This code always starts with the letters (in the first box): are

This code always ends with 4 numbers (in the second box): 0105

These numbers represent the numbers of the chapter and lesson.

The first two numbers stand for the chapter (01) for chapter 1

The last two numbers stand for the lesson (05) for lesson 5

So for video tutors for Reteaching 1-1 or Practice 1-1: type in the following code:

-

For video tutors for Reteaching 11-6 or Practice 11-6:

-
