

After School Sports

2018 Boys Soccer

This fall, BACS is offering students in grades 5 through 8, a chance to participate in Boys Soccer. This year's team will be coached by Ash Gennzlinger and Tony Griffin. Practice times will be Tuesday, Wednesday and Thursday from 2:30-4:00 pm; beginning September 11th and running through October 25th. There will be a few games on Mondays. The games will vary between those dates and will be posted officially on the school website as well as handed out during the first week of practice. Each athlete is responsible for providing their own shin guards and cleats. If you have any questions regarding this program, please do not hesitate to contact Alex Rogers at alex.rogers@bacs-gc.org. I consider this a great opportunity for your child/children and look forward to seeing the program in full swing!

Cost: \$100 per athlete delivered with this form. (forms due to Alex Rogers by Friday September 7th)

NOTE Please make checks payable to: BACS

NOTE If you have questions about payments, please contact Stewart Asplundh
