For 2020-21 school year, students are permitted to wear athletic shoes in any color/style (except light-up shoes or high tops) to school every day

For 2020-21 School Year

Students are required to wear masks in school.

They may be any color and appropriate design and may not have writing on them except for their name or a logo. They must cover the mouth and nose and fit securely, and they must filter exhaled air and we recommend that they be two or three layers of fabric.

Students are required to have appropriate outdoor wear, since we plan to use the outdoors as an alternative teaching space
