AccessIt Library Website Login Instructions

Kindergarten-3rd grade

- In the upper right hand corner where it says "guest,"

click the drop down arrow

- Under "Patron ID/User name/ID," enter the student's first name and last initial. This will be the name the student uses at school.
    - Example username: kellya (for Kelly Austin)
    - Under Password, type in the password the student uses at school to login to computers. Please reach out to the librarians with any questions about this.
    - Kindergarten password: kkkkk

4th-8th grades

- In the upper right hand corner where is says "guest," click the drop down arrow
- Select blue bar that says "login with @bacs.school"
- Student should enter their @bacs.school email (their bacs google email) and password to login with their google credentials

Once a student has accessed their own account, they can place holds on books, write reviews and add books to a personal list.
